

Project: South David Street Car

Recipient: Salt Lake City

Location: Salt Lake City, Utah

Purpose: Funds for this project will be used to provide for a formal alternative analysis on the transportation corridor from Salt Lake City (400 W. and South Temple) to Centerville (Main and Parrish). The corridor has been studied under a project funded by the Utah Department of Transportation (UDOT), but a formal Alternatives Analysis needs to be finalized and submitted to the Federal Transit Administration.

Amount: \$240,000
